

## **This Is The Day**

Verse 1:

Feel, I feel the sun shine on my skin, it feels, so warm.  
I see the moon fall, the stars lose their crown.

Chorus:

This, this is the day, day that we have waited, we have waited for.  
This, this is the day, day that we have way....

Verse 2:

Now, I feel my soul shine, it wakes me up now, wakes me up some how.  
This is the day we have waited for a song.

Chorus:

(same, with harmony)
